

Florida Virtual School®

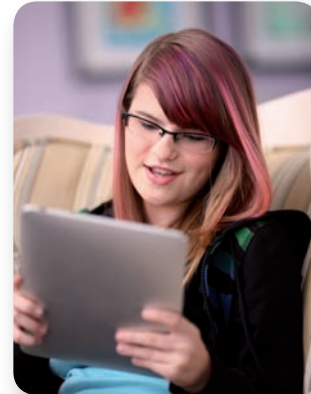

an established leader in developing and providing virtual education solutions to students

In Florida, we are...

- Leading virtual education solutions and blended learning models for students in Kindergarten–12th grade
- Serving more than 259,000 enrollments annually with more than 110 virtual courses
- Providing flexibility and personalized instruction—with a customer satisfaction rating of 97%

Outside the state, we are...

- Partnering with Pearson, a leader in digital and online learning, to offer Pearson Virtual Learning powered by Florida Virtual School
- Preparing middle and high school students in 49 other states and 46 other countries for college, career, and beyond
- Providing the highest quality in virtual and blended learning available for today's 21st century learners
